## **CSCE Merchandise - Jackets Notice**

The 2008-2009 season has been a very busy and interesting year for the CSCE Edmonton section. With Edmonton set to host the *CSCE Annual Conference and General Meeting* in the year 2012, publicity has been a key area of interest for the Executives. This shall continue to be one of the major focuses for the upcoming years. What started as an initiative by Jose Ramon Teres, Chair of the CSCE during the 2007-2008 has finally become a reality. The support and sponsorship amounts received through the year have enabled us to provide these extremely sporty jackets at very subsidized rates to the members.
